Private Training

The ACA offers all of our esteemed training courses privately so your businesses training requirements can be addressed in the most effective way.

Are you having trouble getting your staff to our public training courses?

Are you located too far from a capital city?

Do you have 10-24 staff you need to have trained?

Do you have a large meeting room at your disposal?

You might find it makes a lot more sense to have your staff trained on-site through a private course!

To enquire about a quote or to request more detail please email training@corrosion.com.au or phone our head office on **(03) 8608 7900**.

We will find a solution that fits your company best!

Who we are

The Australasian Corrosion Association is a not-for-profit, membership Association which disseminates information on corrosion and its prevention or control by providing training, seminars, conferences, research, publications, and other activities.

We partner with AMPP, ACRA, GAA, and other organisations to deliver world-class courses in Australasia. We take great pride in supporting long-serving members of our industry wanting to gain a qualification and enhance their knowledge in the industry as well as new students looking to explore a new field of study and improve their career prospects.

Our instructors hold the highest level of qualification to deliver training courses within multiple industries, such as Engineering, Construction, Manufacturing, Marine/Maritime, Oil and Gas, and Mining.
