

SPONSOR & EXHIBITOR PROSPECTUS 2024

Corrosion and Prevention is Australia's premier conference for those involved in all areas of corrosion mitigation. Over the years C&P has grown to include a diverse array of technical streams, exhibitors from all over the world and unique social functions.

The conference and affiliated events are the perfect opportunity to grow and build brand awareness, make important industry connections and foster education and growth within different industry sectors.

We have put together this sponsorship packages to let you know about some of the great opportunities we have on offer for 2024.

If you have any questions regarding these offerings, please don't hesitate to e-mail CONFERENCE@CORROSION.COM.AU or contact Rachelle on 0421 440 806

Rachelle's working days are: Tuesdays and Wednesdays

WHO WE ARE?

The Australasian Corrosion Association (ACA) is the leading body for the handling and mitigation of corrosion and its impacts across Australia and New Zealand. An internationally recognised association with accredited training courses, annual conferences, and networking opportunities, the ACA provides support across diverse sectors to provide the best knowledge and experience across the corrosion industry.

As a non-for-profit, membership-based association, we serve our members in disseminating information about corrosion in all its forms. The ACA will continue to evolve and adapt to emerging forms of corrosion to support its membership in combatting its effects. The ACA is committed to sustainability and cost effectiveness for its community and beyond.
