# Annual Branch Partnership Opportunity

**Become a Branch or webinar sponsor; support ACA events whilst building business exposure and new business**

By partnering with one of our ACA Branches in 2025, you are supporting a range of activities and initiatives for members, partners, and the industry. Our Branch program for this year is filled with technical events, seminars, social gatherings, trade shows, webinars, site tours and more. With fantastic guest speakers lined up, we look forward to introducing new experiences, networking and providing interesting and current content.

In return, the benefits package is loaded with multiple branding and promotional opportunities for your business.

# How it works

We are offering a limited number of Branch partnership opportunities for our Australian ACA Branches and each of these partnerships includes the following features:

Acknowledgment of your company as a 2025 Annual Branch Partner at every in-person and online event coordinated by your chosen branch.

Annual partners receive two (2) complimentary tickets to their featured sponsored event

Inclusion on an annual partners PowerPoint slide to be used by Branches at all relevant events throughout the year.

Acknowledgment of your partnership for all specific branch emails sent to ACA's contact list of 7000 subscribers. Email will include a hyperlinked logo directly to your landing page of choice, as well as on every event registration landing page for your chosen branch.

Branch Partners will be highlighted in our E-News Wrap Up Newsletter email for their feature event.

The option to give a 5-10 minute presentation, either live or online at one chosen branch activity for the 2025 calendars the event's featured partner. We will work with you and your chosen Branch to find or curate an event that is the best fit for you.

The option to set up a company banner and/or trade table at your featured partner event if in person, or, alternatively play a video advert before the start of a featured partner webinar, and receive advice on who has attended the event – with the option to send a follow-up email (via the ACA) to those attendees with your contact details and any technical content you would like to share.

# ACA BRANCH ACTIVITIES

Every ACA Branch is required to run at least 5 events per year in line with our Branch Operating Manual, but our larger branches typically run closer to 10 events.

Branches run a variety of activities including individual technical evenings, social gatherings, trade shows, site visits, and since 2020, have begun running online webinars and workshops.

# Terms and conditions

- The ACA reserves the right to reschedule, change or cancel an event/webinar at its discretion.
- Should your Branch fail to provide the opportunity for your chosen event, the ACA will endeavour to provide you with an alternate opportunity of equivalent value.
- Should an event/webinar topic change for a planned featured event, the ACA and the local Branch will work with the featured sponsor to find a mutually beneficial alternative event.
- All 'in person' events will entitle the sponsor two (2) complimentary registrations to your designated featured event, however, attendance at all other events is still subject to normal registration prices.
- The ACA reserves the right to either reschedule or release a re-recording of a webinar should we encounter technical difficulties that necessitate the ending of the webinar, during the presentation. Should we encounter technical difficulties that result in a less than optimal recording of the webinar, but are not so severe as to necessitate cancelling an online event whilst it is running live, the ACA will attempt to facilitate a rerecording with the guest speaker and provide a transcript. However, the decision as to whether or not to re-record will be ultimately at the speaker's discretion.
- The ACA reserves the right to change the price or number of offered sponsorships for the following calendar year.
- Should one of our Branches run a free event with no sponsor (such as a site visit), the right to display advertising material from sponsors will be subject to the approval of the host group.
- Sponsors are responsible for the provision, set up and maintenance of all marketing material. The ACA will assist with the set up of promotional material where reasonable/feasible.
- Certain venues may prevent the setting up of trade tables or the displaying of banners, if this is the case for your featured sponsored event, we'll work with you to provide value as best we can.
- Corporate Members may take on only one of these partnerships association-wide until all corporate levels have been given the opportunity. Following this, any remaining partnerships will become freely available to ACA members and external parties.
- Within Corporate Membership level releases, the partnerships will be sold on a first come first serve basis.

- Application of GST

Where appropriate, Goods & Services Tax (GST) is applicable to goods and services offered by the Australasian Corrosion Association. All prices in this document are inclusive of GST. GST has been calculated at the date of publication of this document. The Australasian Corrosion Association reserves the right to vary the quoted prices in accordance with any movements in the legislated rate of the GST as determined by the Australian Government.

- Accepted Currencies

All monies are payable in Australian dollars.

- Confirmation of Payment

All monies due and payable must be received by the Australasian Corrosion Association prior to the event. No exhibitor will be allowed to commence move-in operations or be listed as an exhibitor in the on-site publications until full payment has been received and the signed Booking Form and Terms & Conditions have been accepted by the Australasian Corrosion Association.

- Due Date for Payment

If payment is not received 30 days to the event start date, you will receive an email notifying you that the authorised credit card that the exhibitor supplied on the Booking Form will be charged the remaining unpaid amount.

- Public and Product Liability Insurance

Public and Product Liability insurance to a minimum of A\$20 million must be taken out by each exhibitor at their own expense. A copy of the organisation's public and product liability certificate may be required by the venue and if so must be submitted to the Australasian Corrosion Association at the time of submitting the Booking Form or on request from the ACA.

- Warranties and Representation

You agree that no promise, warranty or representation has been made to you by the Australasian Corrosion Association regarding any benefit expected or other expectation you may have regarding entry in this Agreement and that you alone bear full responsibility for the exhibition package chosen by or allocated to you.

- Liability

The Australasian Corrosion Association will have no liability to you if anything not of their doing occurs that you may consider causing you loss or damage. In the event of cancellation or interruption of the Roadshow, the Australasian Corrosion Association will have no liability to you other than any refund to which you may be entitled from the conference venue.

- Privacy Statement – YES, I consent to my details being shared with suppliers and contractors of the Roadshow to assist with my participation. This includes being in participant lists and for the information distribution in respect of other relevant events as organised by the Australasian Corrosion Association. – NO, I do not consent.
