# WHAT'S ON

## **Equipment Demonstrations**

Industry leading companies are joining us to share the latest industry machinery updates and how they operate on-site. Equipment Demonstrations are a performance masterclass not to be missed.

## **Professional and Skills Development**

Roadshow attendees have a unique chance to be amongst top industry leaders and learn from their knowledge and experience.

# MEET THE HOSTS

The **ACA Applicators Technical Group** aims to represent the needs of specialist contractors in industries that serve the protection or restoration of corrosion affected structures throughout Australasia. These include companies and individuals in concrete protection, applied concrete floor finishes, concrete repair, hazardous coating removal, surface preparation and coating application.

Coatings  
Technical  
Group

The **ACA Coatings Technical Group** shares ideas, project studies, technologies and market trends amongst asset owners, designers, manufacturers, suppliers and equipment providers to the protective coating industry that serve the protection or restoration of corrosion affected structures throughout Australasia.
